

PARVATHY T A

SENIOR UX/UI DESIGNER

Creative and detail-oriented UX/UI Designer with a strong foundation in user-centered design, visual communication, and digital product strategy. Experienced in designing efficient websites, applications, dashboards, and B2B products like the Metro Wholesale app, with a focus on usability, accessibility, and business impact.

EXPERIENCE

UX AND PRODUCT DESIGNER

Cartoon Mango Studios | 2019 - 2024

METRO WHOLESALE APP

1.8 years Experience

- Conducted user research to identify and address pain points faced by retailers of Metro.
- Designed high-fidelity wireframes to solve usability issues and streamline user interactions.
- Redesigned key user flows including: Onboarding, Login, Homepage, Returns, Orders, Wallet, Buy Later List, Help, Search, Product Listing & Detail Pages.
- Ideated and implemented UX solutions to improve product discoverability and to reduce user task time.
- Delivered a comprehensive redesign focusing on: Layout optimisation, Section hierarchy, Font size consistency, Iconography improvements.
- Refined visual design by working on: Colour codes, Icon systems, Custom illustrations.

EDUCATIONAL PLATFORMS

1.2 years Experience

- Served as Lead UX Designer for two educational platforms.
- Created user stories and user flows to establish the foundational UX architecture for both projects.
- Developed wireframes using Sketch and Figma to visualize and iterate on design solutions.
- Designed custom iconography and illustrations aligned with the product’s visual language.
- Executed UI design including layout systems, interactive elements, and visual storytelling through illustrations.

ECOMMERCE B2C

1 year Experience

- Led UX and UI design initiatives across the project lifecycle.
- Created detailed user stories to inform and ideate user flows.
- Developed wireframes and prototypes using Figma.
- Designed intuitive layouts and crafted interface design elements for improved usability.

OTHER PROJECTS:

Apartment Security Application - Wireframe admin dashboards and mobile interfaces.

Educational Application - Designed wireframes for admin dashboards platform MNC Corporate Website - Created layout designs for enhanced user engagement.

Business News Website - Developed layout and interface designs tailored to editorial needs.
